## Focus on ADHD Continuing Education

8:30am-12:30 p.m.

December 4, 2015

OU Developmental-Behavioral Pediatrics

Focus on ADHD Continuing Education

Friday, December 4, 2015 @ OUHSC CSC

## Conference Content

One of the major changes in the DSM-5 are the guidelines for diagnosing and treating ADHD in children and adolescents.

In this workshop participants will

- Learn evidence-based procedures for diagnosing ADHD in preschool and school-age children, and adolescents
- The most recent best practice in treating ADHD in preschool and school-age children, and adolescents based on evidence-based treatments
- How to make referrals for behavioral therapy for children in the state of Oklahoma
- Receive course materials in hard-copy and electronic form
- **Have access to monthly conference call for case presentations for six months after course**

## The Diagnosis and Treatment of Children with Attention Deficit Hyperactivity Disorder

8:30am-12:30 p.m.  
Friday, December 04, 2015

**Speaker: Mark L. Wolraich, M.D.**

CMRI Shaun Walters Professor of Pediatrics and Edith Kinney Gaylord Presidential Professor, and Section Chief, OU College of Medicine Developmental and Behavioral Pediatrics

**Location: OUHSC Child Study Center  
Room 115  
1100 NE 13th Street  
Oklahoma City, OK 73117**

### Overall Learning Objectives:

Upon completion of this activity, participant will improve their competence and performance by being able to:

1. Use evidence-based procedures in diagnosing ADHD in preschool, elementary school, and adolescent patients.
2. Employ evidence-based medication to treat children and adolescents.
3. Arrange referrals for behavioral therapy for children with ADHD.

### Accreditation Statement

The University of Oklahoma College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Oklahoma College of Medicine designates this live activity for a maximum of **3.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Conflict Resolution Statement

The University of Oklahoma College of Medicine, Office of Continuing Professional Development has reviewed this activity's speaker and planner disclosures and resolved all identified conflicts of interest, if applicable

Attn: Kecia Huff

**Conference Agenda: This is not your typical CME course.** This interactive course is divided into modules that cover the diagnosis and treatment of preschool, school-age and adolescent patients. Table exercises and role playing are included to approximate real-world situations. This will be an active process with materials to read beforehand. Each module will be led by experts in the field, as well as fellows specifically trained in the new DSM-5 procedures.

### Open to All Medical Providers

including M.D., D.O., P.A., N.P.

**COST: \$150.00\*** includes the day's activities, course materials, and access to monthly conference calls for six months and CME credit.
